

What Can You Make Hosting IBW Parties?

20% of Every Book Sold!

\$3.00 for each *Busy Preschooler's Guide to Learning* sold

\$1.00 for each *KA Reader* sold

Let's say, you host a party with 10 adult guests.*

Each guest purchases four (4) *KA Readers* (cost: \$20 plus shipping)

Commission per guest is \$4.00. You make \$40 from the party.

If each guest also purchases one *Busy Preschoolers Guide to Learning*,

Commission increases by \$30. You make \$70 from the party.

Given that a *Story Time Reading Party* script takes only 20 minutes to present... Allow another few minutes to take orders.

And your profit from a half-hour party ... is \$70.00

Give two parties at this anticipated rate of commission...

You are making \$140.00 an hour!

* These calculations are for *example purposes ONLY*, as a demonstration of commissions *possible* from a party. In no way is it a guarantee of income. Ghost Hunter Productions issues no guarantee of future income to IBW Booksellers except for the agreed upon commissions generated from the sale of IBW books.
